

**Color & Finish Guide** for Items: 300, 350, 400, 450, 370

**Choose a combination of Glass Color and Glass Finish for this item using the table below.**

Countersinks to be installed directly onto a vanity require a dark color or dense finish. Bronze, Grey, Black, Cobalt and Blue glass colors may be used in this application in a polished finish. For all other colors use a Satin Etched, Mirror or White Lami finish. Please contact the Factory for additional support.

		STEP 3 GLASS FINISHES		
		Code	Round / Oval Basins	Rectangular Basins
