

In-Wall Mount with Towel Bar Item No. 751.XX

U-Channel Included. See Specification pg B.2.12

Request assistance from factory to coordinate size of counter, number of basins and number of supports.

See pgs B.2.11, B.2.11a-b for masonry installation option.
 Shown with Countersink (not included). See Section 4.0
 For Freestanding basin and Countertop see Sections 3.0 and 5.0

NOTE: Vitraform suggests the use of waterproof wall finish material on all wet location installations.
