

In-Wall Mount for Stud wall construction Item No. 750.XX

U-Channel Included. See pg B.2.12

Request assistance from factory to coordinate size of counter, number of basins and number of supports.

See pgs B.2.11, B.2.11a-b for Masonry installation.

Shown with Countersink (not included). See Section 4.0
For Freestanding basin and Countertop see Sections 3.0 and 5.0

NOTE: Vitraform suggests the use of waterproof wall finish material on all wet location installations.
