

**Two-Part Support Leg** Item No. 790.XX

Solid brass with choice of plated finishes.

**NOTES:**

See pgs B.2.8 and B.2.12 for coordinating hardware to support counter at back.

See pg 7.1.5 and B.2.5.a for finished heights with Vitraform VF4 Vanity.

May be used inverted for support under vanities.

Minimum height  $6 \frac{3}{8}$  in.

Maximum height  $8 \frac{1}{2}$  in.

NOTE: Vitraform suggests the use of waterproof wall finish material on all wet location installations.
